## **CENTELLAX LICENSE TERMS**

The following License Terms govern your use of the Licensed Materials unless you have a separate written agreement with Centellax, in which case, that written agreement will control and take precedence.

Readers of this document are requested to submit their comments, notification of any relevant patent rights or other intellectual property rights of which they may be aware which might be infringed by any use of this intellectual property, software, or specification (the "Intellectual Property"), as appropriate, and to provide supporting documentation to Centellax, Inc., Legal Department, 3843 Brickway Boulevard, Suite 100, Santa Rosa, California 95403.

Attention is drawn to the possibility that some of the elements of this Intellectual Property may be the subject of patent or other intellectual property right (collectively, "IPR") of third parties. Centellax shall not be responsible now or in the future for identifying any or all such IPR.

**License Grant.** Centellax grants you a non-exclusive license to use one copy of the Licensed Materials. With respect to the software portion of the Licensed Materials, "use" means to install, store, display, execute and use the software on the computer or device, or on the class or series of equipment, for which you have paid the corresponding license fee. If no fee is required, you may use the software on one computer or device. If the software is licensed for concurrent or network use, you may not allow more than the maximum number of

authorized users to access and use the software concurrently. You may copy, modify and translate the Licensed Materials for your own internal use.

**License Restrictions.** You may make copies or adaptations of the Licensed Materials only for archival or internal purposes as granted above, or only when copying or adaptation is an essential step in the authorized use of the Licensed Materials. You must reproduce all copyright notices in the original Licensed Materials on all permitted copies or adaptations. You may not copy the Licensed Materials onto any public or distributed network or service bureau. In addition, you may not lease, rent or sublicense the Licensed Materials without Centellax' prior written consent.

**Upgrades.** This license does not entitle you to receive upgrades, updates or technical support. Such services may be purchased separately. If the Licensed Materials include an upgrade to previously licensed material, your license in that material automatically terminates and you should destroy the previous content and any copies or adaptations.

**Ownership.** The Licensed Materials are owned and copyrighted by Centellax and/or its third party suppliers. Your license confers no title to, or ownership in, the Licensed Materials and is not a sale of any rights in the Licensed Materials. Centellax' third party suppliers may protect their rights in the event of any violation of these License Terms.

**No Disassembly.** You may not disassemble or decompile the Licensed Materials unless you obtain Centellax' prior written consent
